NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

HEAD QUARTERS, DEPARTMENT OF THE MISSOURI,

Judge Advocate's Office, August 12, 1863.

CIRCULAR:

I. Since the commencement of the rebellion, Article 65, of the Articles of War, has been amended in various respects, and for convenience, the following is published as being substantially what that article would be, if revised in accordance with those amendments, and as applicable to a time of war:

Any General officer commanding an army, Colonel commanding a separate department, the commander of a division or separate brigade, may appoint general courts martial whenever necessary; but no sentence of a court martial shall be carried into execution until after the whole proceedings shall have been laid before the officer ordering the same, or the officer commanding the troops for the time being. *Provided,*

1st: That when the division or brigade commander shall be the accused or prosecutor, the court shall be appointed by the next higher commander.

2d: That no sentence of imprisonment in the Penitentiary shall be carried into execution until after the same shall have been approved by the President.

3d: That no sentence of death by such courts shall be carried into execution until the same shall have been approved by the President, except such sentence be against a person convicted as a spy or deserter, or of mutiny or murder. Sentences in punishment of these specified offences may be carried into execution upon the approval of the Commanding General in the field.

4th: The sentence of such a court dismissing a commissioned officer, cannot be carried into execution until confirmed by the General commanding in the field, to which the division or brigade of the offender belongs: and no sentence respecting a General officer

shall be carried into execution until after the whole proceedings shall have been transmitted to the Secretary of War, to be laid before the President of the United States, for his confirmation or disapproval, and orders in the case.

All other sentences may be confirmed and executed by the officer ordering the court to assemble, or the commanding officer for the time being, as the case may be, and may be pardoned or mitigated by the same authority, except sentences of death or of cashiering an officer. Sentences of death or of cashiering an officer can be pardoned only by the President.

See "Act relative to courts martial," approved December 24, 1861; Section 5, of "An act to amend the act calling forth the militia to execute the laws, &c.," approved July 17, 1862; and Section 21, of "An act for enrolling and calling out the national forces, &c.," approved March 3, 1863.

NOTE.—The General commanding this Department, is "the Commanding General in the field," and the only Commanding General in the field in this Department, within the meaning of the foregoing article.

II. The finding and sentence of a military court are to be kept secret from all but the proper authorities, and are not in any manner to be made public until published in the orders of the officer who has authority to make final disposition of the case.

III. The business of this office shows it to be necessary to call the particular attention of Judge Advocates, and Recorders of military courts, to sections 891 and 892, of the Revised Regulations of the Army. Many records sent to this office exhibit a culpable negligence of the observance of the plain provisions of these sections.

Soldier "B" R1440
FINAL STATEMENT

OF

William L. Harrison
1st Reg't of *1st Ill. Cal.*

VOLUNTEERS.

Died July 22, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of their muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Gen. L.

Enclosed, you will find the letter of W. Wallace a Union Soldier, who as it seems, from his letter, has been tried for some offence growing out of a personal difficulty with a friend.

I have not seen him, and have no knowledge of his case. I knew his father Capt George Wallace well. He was an early settler in Mo. Was a brave and worthy man, respected by all and loved by his friends. He has been dead for some years.

I have thought I could not, under the circumstances do less than call your attention to this, case—also son of Capt. Wallace, can ~~be~~ ^{be} said to make a brave soldier. It may be that on looking into the facts of the case, you will think that he has been punished enough, and restore him to his place in the service, to the danger of which, it seems he was a volunteer.

With sincere regards,

Yours truly
H. Davis

findings and sentence of which were
duly approved and promulgated.
the charge of desertion of June 15th 1864
no longer stands against him. The
record of the fact that he was absent
in confinement from June 15th 1864
to June 30th 1864, cannot however be
expunged. Application for removal
of the charges of desertion of Sept
10th and 12th 1865. and for an hon-
orable discharge has been
denied.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

6th Regt of M S in cov
See Endorsement

VOLUNTEERS.

Died Jan 8, 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landreos must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolment, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a *volunteer*, (or recruit,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the *honors of Veteran or Recruit* **BONUS RECEIVED** by the Soldier must be made on the back of each final statement.

Genemiah Whiteaker
6th Reg't of *M. S. M. Cav*

VOLUNTEERS.

Died Sept 27, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Rents paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landowners must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly specified in the within certificate."

Art. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, rheumatism, derangements of the urinary organs, cholera, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

Certificates will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will sign them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not organized in divisions, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially designated.

On certificates, after having received the action of the highest authority to which they are required to be sent, will be returned to the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last copy on this paper; see that the soldier is furnished with the original statement in duplicate, and forward BOTH of these copies to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given to the soldier.

OF DISABILITY

Private William M. Wickliffe, of Captain McMichael's Company, (2nd) of the 1st Light Artillery, was enlisted by Private McMichael at Benton Co., Mo. on the 27th day of July, 1862, to serve 3 years; he was born in the State of Maryland, is 30 years of age, 6 feet — inches high, light complexion, blue eyes, black hair, and by occupation when enlisted a farmer. During the last two months said soldier has been unfit for duty 60 days. Said soldier is suffering with spinal affections, general weakness, can neither walk nor do any duty, holding a warrant, about the 15th of May 1864.

STATION: Springfield, Mo.

DATE: January 4th 1865

Tested and sworn to Lieut

Chas. H. Woodcock

Commanding Company.

I CERTIFY, that I have carefully examined the said William M. Wickliffe of Captain C. S. McMichael's Company, and find him incapable of performing the duties of a soldier because of spinal disease, curvature of the spine, pressure to the right of the median line, and that pain in the small of the back and general emaciation, and inability to remain in erect posture. Said soldier complains that his disease began about the 15th day of May 1864, after lifting water from a spring, which was part of his duty and in my opinion, disabled one half.

CONSENT IN CASE OF MINOR.

I, John Wilhoit Do CERTIFY, That I am

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

SENTENCE :

And the Court does therefore sentence him, the said JOHN MOORE, private Company B, 2d Arkansas Cavalry, Volunteers, "to be confined at hard labor for ten years, at such places as the commanding General may direct."

Finding approved. Upon reviewing this case, it is difficult to ascertain by what the Court was guided or influenced in finding the prisoner guilty of murder in the second degree only. Testimony so clear, pointed and direct as that offered by the Government, and which is so unsuccessfully refuted by evidence so lame

and shallow as that adduced by the defense, leaves no doubt of the guilt of the prisoner of the high crime of which he is charged. Such would have been the finding of the Court, if in its deliberations due and proper weight had been given to the testimony adduced. The palliating circumstances attending this case are not sufficient to warrant a mitigation of the sentence imposed. Sentence is confirmed. The prisoner will be sent to Saint Louis, Mo., under proper guard, and delivered to the Provost Marshal General, Department of the Missouri, for confinement in accordance with the terms of the sentence, at such place as the Department Commander may designate. The Provost Marshal of this District is charged with the execution of this order.

Sir

I have the honor
to repeat, that I was met by the two men who arrest Thomas
A. William, private Co. F. 6th Mass. In Co.; and they inquired
particularly after him, and seemed much surprised that he
had been released. They arrested him in the woods around, and
in Brookhatchers guise - They say he admitted that he had been
with the "Summers". That an other manner of evil against him
but I can not tell what evidence can be had yet.

The names of the parties who arrested him, are William Pondexter &
Joseph Furton - they, afraid he will waylay and kill them.

Every body seems anxious to have something done with him.
If you think you cannot have a case made out of this against him,
please return with advice.

Very Respectfully

Yours Obdient Servant

Conradus Goree.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made up in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in will must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. Enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY, that I have carefully examined the said Private Wm. Willoughby of
Captain J. E. Mayo's Company, and find him incapable of performing the duties of a soldier because of
Chronic Rheumatism
wherein he has suffered for years (as he states) producing
atrophy of muscles of left leg & in the arms & hands
of both arms. In my opinion he is wholly unfit for the service
and disability exists prior to enlistment. Robert P. Richardson Major
Surgeon.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death. Such report will be noted on the next muster roll of the company to which the man belonged. If a legal representative receive the effects, it will be noted in the report. If the deceased leave no effects, the fact will be reported.

FINAL STATEMENT

See Index of

Nathan Wilson Priv

6th Reg't of Cav Mfm

VOLUNTEERS.

Lied Oct 9, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is entitled to his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his Descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the aforesaid to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Dewy paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Laundry must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT) the words as a veteran, (or recruit) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of Veteran or Recruit Dewy RECEIVED by the Soldier must be made on the back of each final statement.

MR

The company commander will here add a statement of all facts known to him concerning the disease or wound, or the disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared: the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l.*, *r.*, &c.; &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of disability by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, extent, and origin of which are correctly described in the accompanying certificate."

The following Regulations, Edt. 1861.
Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic inflammation, derangement of the urinary organs, ophthalmia, &c., or any obscure disease liable to be feigned or purposely induced; and in no case shall such certificate be given until their efficient time and examination to detect any attempt at fraud.

DIRECTIONS.

The certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out the certificate, and forward these papers to the regimental surgeon, or post commander, who will forward them, with his own endorsement, through the proper channel, to his division commander, or if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge sick men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper discharge in duplicate, and forward BOTH of these certificates down to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant-General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant-General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the enlisting officer.

Dear Sir

Gen Fish has appoin

ted several Sup's of Contrabands & Refugees
in his Dist and I have received several
letters from them asking for information
concerning the different orders regulating
the issuing of Rations - I am also receiving
letters almost every day from Rolla
and Springfield - It has occurred to me
and Gen Myers & Col Haines farover it
that I might be appointed Sup't for the
Dist and thus reduce to system the whole
work and at the same time continue
in correspondence with parties in all
Ind Ohio & Michigan in relation

to distributing them as far as possible
among the agricultural districts in these
States once at the same time answer
all the clamours upon a Dist Supt
The reports from nearly every point
will be crude & unsatisfactory without
some such supervision I have no
doubt but Gen Fish would favour
such an arrangement
I most respectfully ask your attention
to the suggestion once if you were
to recommend it I have no doubt
but Gen Dodge would appoint me
from all the reports I could make
a consolidate one once a month
for the Dist and such other parties
as might need them It would be no
line cure but a work a real earnest
work

Gen Myers has since been
of the opinion for several months
that such an officer would save
to the Govt thousands of dollars in
a year

Dear Sir

The Rept. to which I
am attached (6th Gen M. & M.) will be mustered
out in about three weeks - Do you know of
a Reft in your Dist without a Chaplain
who would be willing to have me appointee
so as to remain on detached service?

Gen Dodge is well pleased with my labors
thus far and has requested Col Wexelmeier
H^{1st} Inf to have me appointed in his Reft
But they are all as "Dutch", as Sawbrow and
have but a few months to serve and are
under marching orders for the South.

If there is any Reft in your Dist to whose Col
you would write a note requesting such
an appointment it would be done and
you would carry a favor on your
sincere friend and admirer

Please write me the result of any inquiries in this direction. Mr. Forman is Minister to Cuba and is in your District seeking another appointment. Matters at the new "Home," are not moving satisfactorily. He is never there and there is no head to the concern.

I shall try to have a military man appointed there to whom the inmates can look to whom the detailed men & Matrons can apply for instruction.

Have you a suitable man to spare? It is a huge affair. But unless we have a head there it will run into the ground. Mr. Forman is not worth a stream for the place. A man should be there constantly.

I would take this opportunity to suggest that it would not do for Chaplain Wright to leave this post. You can have no conception of the magnitude of his work. I am intimately acquainted with this sect & it is utterly impossible for any one just now to take his place. In one or two months it will require the most careful dissection & excessive labor. He fully understands the work in all its detail & performs in a manner highly commendable. I am sure with distinguished consideration Your

It gives me pleasure to recommend Rev. Alpha Wright of Milwaukee as a minister of ability and energy of character, & I think well suited to work as chaplain of a Regiment.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1299 Regulations, Edit. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final certificate in duplicate, and forward both of these certificates to the Adjutant General United States Army, at Washington, D. C. they will not under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
